

## Spillyards, Goss Take Oaths of Office

The City Council recently declared the May 8 election results official during a special meeting. Congratulations to Councilmembers Kathy Spillyards, Place 3, and David Goss, Place 1. Both will serve additional 3 year terms. Click "Ready to Serve" on the homepage of WylieTexas.gov to meet your Mayor and City Councilmembers.

## Free Smoke Detector Inspection and Installation

Smoke and carbon monoxide detectors save lives and Wylie Fire-Rescue is taking aggressive steps to ensure that every home has properly working detectors. WFR recently received 500 smoke and 500 carbon monoxide detectors through an \$18,000 grant with the goal of having all 1,000 detectors installed by the end of 2010.

Fire can strike at any time. Do not delay. Call 972-429-0771 to schedule a free inspection and installation.

## Home Improvement? Know the Code

Do not get stuck with a patio, pergola, sun room, fire pit or outdoor living space that does not meet code or construction standards. Protect yourself. Make sure your contractor pulls the proper permits and is licensed.

The Building Department is here to assist. Before undertaking a project and signing a contract, call 972-442-8150, or email [inspection@wylietexas.gov](mailto:inspection@wylietexas.gov) to get the facts and answers to your questions about home improvement projects.

## First Public Art Project Nearing Completion

The mosaic by artist Montage 48/61 titled "100 years of Wylie Fire Rescue" is located at Fire Station #3 on the corner of Brown Street and W.A. Allen Blvd. The 14 foot wall features five panels depicting WFR's rich history and service over the last 100 years. Watch for more details on a dedication ceremony to be scheduled in July.

Artist Larry Enge places the final pieces on the "100 Years of Wylie-Fire Rescue" mosaic at Fire Station #3 on Brown Street

## Online @ WylieTexas.gov

### Water Restrictions and Guidelines

Summer is heating up and water use is increasing. Wylie is required by the State of Texas to adopt and implement a water conservation plan, including guidelines and restrictions. Go to [WylieTexas.gov](http://WylieTexas.gov) > Departments > Public Works > Water for details.

### Recycling Do's and Don'ts

Did you know only 40% of Wylie residents recycle? Go to [WylieTexas.gov](http://WylieTexas.gov) > Services > Trash & Recycle > Recycling for a complete list of acceptable and unacceptable items.

### Sponsors; Fine Art and Handmade Craft Vendors Wanted

Based on the success of last year's event, the Wylie Arts Festival is scheduled for Saturday, December 4, 2010, in Olde City Park. Go to [WylieTexas.gov](http://WylieTexas.gov) > Wylie Living > Events for a vendor application and sponsorship details.
